RE: *Common Manual* Policy Updates  
[Batch 156: Proposals 1079 - 1089]

DATE: December 5, 2008

Enclosed with this memorandum is the **One Hundred and Fifty-sixth** batch of policy update proposals completed by the Policy Committee.

Policy 1079 is a guarantor policy proposal and is intended to establish an industry standard to provide consistency on an unregulated issue. Policies 1080 – 1089 are federal policy proposals and are intended to align *Common Manual* text with federal regulations and other federal publications.

Every policy update drafted by the Policy Committee must be distributed to each guarantor for comment before it is presented to the Governing Board for review and approval. Every proposal is also sent to higher education organizations and others in the FFELP community who request the opportunity to comment.

Due to the Christmas holiday, the Policy Committee has provided a short extension on the comment period for Batch 156. **Please review these policy update proposals and provide written comments by Monday, December 29, 2008, to:**
